

# ANDRES J. EMEDAN

Software Engineer

## SUMMARY

Creative and detail-oriented software engineer with a background in the arts. Proven track record creating and implementing successful front and back-end web applications. Looking to bring my skills to a tech company with global reach.

## EXPERIENCE

### 100 Devs Agency, Remote

January 2022 — Present

- Collaborated with a team of developers to build modern and responsive web applications using best practices.
- Built semantically structured full stack web applications.

#### Recent Projects:

**Film Hive** - A full stack web application to connect independent filmmakers. Users can sign up and create profiles as actors, writers, cinematographers, or directors. You can then create a "Project" in which other users can submit their writing or video clips to join the team. The project owner can then form a crew to bring the project to life.

**NASA API** – Users can choose any date from the drop-down menu and by accessing the NASA Web API, you will see the official photo of that day along with a detailed explanation.

**Other Projects:** Studio Ghibli API, On-demand background color changer, JS Calculator, Simple Tic Tac Toe game, Gym, Restaurant and Hair-Salon Static websites, and more.

### Swap Desk Swapfiets | Amsterdam, NL

March 2022— Present

A vital member of the Customer Service team, handling both the UK and Spanish Junior Markets. Collaborating closely with store field leads, I actively contributed to expansion of new markets in London and Barcelona in particular. This involved providing real-time feedback on new service map delivery routes in London, translating macros for Spanish-speaking customers, and serving as the GDPR liaison for all Swapfiets territories including BNL and Danish markets. My in-depth knowledge of the company's software, including HOK, Buckaroo, Zendesk, Happeo, and the Swapfiets mobile app and website, enabled me to efficiently address the needs of the both the Swap Desk and, most importantly, prioritize customer satisfaction.

### OLIVIER CHENG CATERING & EVENTS Team Lead - Production | New York

2016- 2021

Oversaw and managed high-profile events, including the MET Gala, Ralph Lauren Fashion Show, and Gucci and Chanel corporate occasions. Led a cross-functional team, delegating tasks, and ensuring adherence to client needs and requirements. Shadowed and assisted VIPs, including CEOs, celebrities, and politicians, driving luxurious, client-centric experiences. Trained and led local staff for various high-profile events across the U.S. and internationally.

### Film Director - Writer - Actor | New York / Amsterdam

2012 – Present

Winner- Best Debut Director: 2023 Barcelona Indie Film Awards- For the short film "Daisies"  
Classically trained actor, performing on stage & film in New York City
